MEDIA KIT

Hi, I'm Cindy!

SPEAKER & CERTIFIED PROFESSIONAL COACH

As the founder and CEO of The Cee Suite, I am passionate about transforming organizations by addressing their talent challenges and empowering professionals to achieve both career and leadership excellence. Over nearly the past six years, The Cee Suite has evolved into a powerhouse, comprised of a team of over 30 talented professionals with a wide range of expertise.

With a career spanning two decades, my journey has revolved around discovering and nurturing diverse talent. Prior to launching The Cee Suite, I played pivotal roles in shaping human capital programs for market leaders, Goldman Sachs and Accenture. My expertise encompasses a wide spectrum, including recruiting, diversity, equity & inclusion (DEI), performance management, and leadership development.

I am a champion for positive change and social impact, and dedicated to unlocking the full potential of individuals and organizations alike.

Here's what clients say...

“

Cindy's style as a presenter is fantastic! She is skilled at getting participants to engage and she comes across as sincerely interested in people's experiences. Her insertion of personal examples goes a long way to establish that she is both an expert and in the process of [her own] lifelong learning. This is definitely one of the best [engagements] I have attended and I hope to have another opportunity to interact with Cindy.
